

## Adams Update June 4, 2021

### 5<sup>th</sup> grade PYP Exhibition

Wow—congratulations to our 5<sup>th</sup> grade PYP Exhibition teams! Exhibition is always a special event, and our 5<sup>th</sup> grade students came through with flying colors. Each team chose a topic that was important to them, researched and studied the topic, and took action based on what they learned. Then students prepared and practiced what to say about their studies, and presented their findings to families and community members last night. Exhibition could not have happened without the support and guidance of their teachers, Mrs. Capua and Mrs. Lipovsky, the mentors that worked with each group, and their families. **Great job, 5<sup>th</sup> grade teams!**

### **Graduating Senior Walk Through**

This Wednesday, Adams Elementary celebrated a cherished tradition, the Graduating Senior Walk Through. Recent graduates from Dow HS and Midland HS returned to Adams in their caps and gowns, and walked around the outside of the building, cheered on and celebrated by Adams students, teachers and staff. We even had a number of retired staff who returned to cheer on their former students. **Thank you to everyone who attended, and congratulations to the graduating class of 2021!**

### **Chromebook Collection**

Chromebooks and chargers will be collected from Adams students next week. Your student will receive further instruction from their teacher. If your child is signed up for summer school, they will keep the Chromebook for the summer.

### **2020-21 Yearbooks**

Yearbooks from the 2020-21 school year will be distributed to students next week. Please be on the lookout for those special, collectible books to come home either Wednesday or Thursday. There are yearbooks for every Adams student, whether they are in the Virtual Academy or face-to-face.

### **2021-22 Kindergarten Class**

One final plea for fall 2021 Kindergarten students—if you have an incoming Kindergarten student, please enroll them next week! If you know of someone in the Adams neighborhood who has an incoming Kindergarten student, please encourage them to enroll next week! We are deep into planning for the fall, and it helps to know who will be here with us. You can stop by or call the office (923-6037) to get the process started. Thank you.
