

## Special Edition Communiqué

### Power Outage at Central Park Elementary AND Chestnut Hill Elementary

#### Entire MPS Phone System Unable to Make or Receive Calls From Outside the District

- At approximately 1:00 p.m. we lost power to Central Park Elementary, Chestnut Hill Elementary, Central Auditorium and the Administration Center.
- Central Park and Chestnut Hill Elementary Schools will remain in session until their regular dismissal time. Please be assured students are safe and comfortable as they complete their school day.
- When the Administration Center lost power, our entire outside phone system went down. Unfortunately parents will not be able to phone their child's school this afternoon.
- It appears we are able to receive e-mail messages. If you need to communicate with your child's school this afternoon, please do so via e-mail.

We apologize for the inconvenience.

Please know we are doing everything we can to get service restored as soon as possible.
